Total Solution for Fixed Type Gas Leak Detection

Be 100% sure with our expertise and practical solution for various gas hazards.

FIXED TYPE GAS DETECTORS

(FLAMEPROOF & WEATHERPROOF)

Ex Hazard

FLAMMABLE GAS LEAK DETECTORS

Leakage detection for all kinds of flammable gases.

Approvals : PESO/CIMFR/ATEX/SIL2

Outputs : HART PROTOCOL/RS485/NO-NC/4-20mA

Range : % LEL & PPM

Gases : CNG / PNG / LPG etc.

Technology : Catalytic/NDIR/Semiconductor

Tx Hazard

TOXIC GAS LEAK DETECTORS

Leakage detection for all kinds of Toxic gases.

Approvals : PESO/CIMFR/ATEX/SIL2

Outputs : HART PROTOCOL/RS485/NO-NC/4-20mA

Range : PPM

Gases : CO₂ / CO / NH₃ etc.

Technology : Electrochemical /NDIR

Ox Hazard

OXYGEN GAS LEAK DETECTORS

Leakage detection for oxygen depletion / increment

Approvals : PESO/CIMFR/ATEX/SIL2

Outputs : HART PROTOCOL/RS485/NO-NC/4-20mA

Range : % V/V

Technology : Electrochemical

Total solution for Portable Type Gas Detectors/Analyzer/CMS

Be 100% sure with our expertise and practical solution
for various gas hazards.

PORTABLE TYPE GAS DETECTORS/ANALYZERS

PORTABLE GAS LEAK DETECTORS

Personal Protection : Act as a vital form of personal protective equipment (PPE) that moves with the worker, offering protection in areas where gas hazards may be present.

Gases : Single gas, multi gas, SF6

Type : Motorized / Hand-held / Battery Operated

ALCOHOL BREATHE ANALYZERS

Highly Precise

Detection with bright display.

Battery operated & Chargeable

Suitable for alcohol consumption.

Type : Hand-held / Battery Operated

ONLINE GAS ANALYZERS / CMS

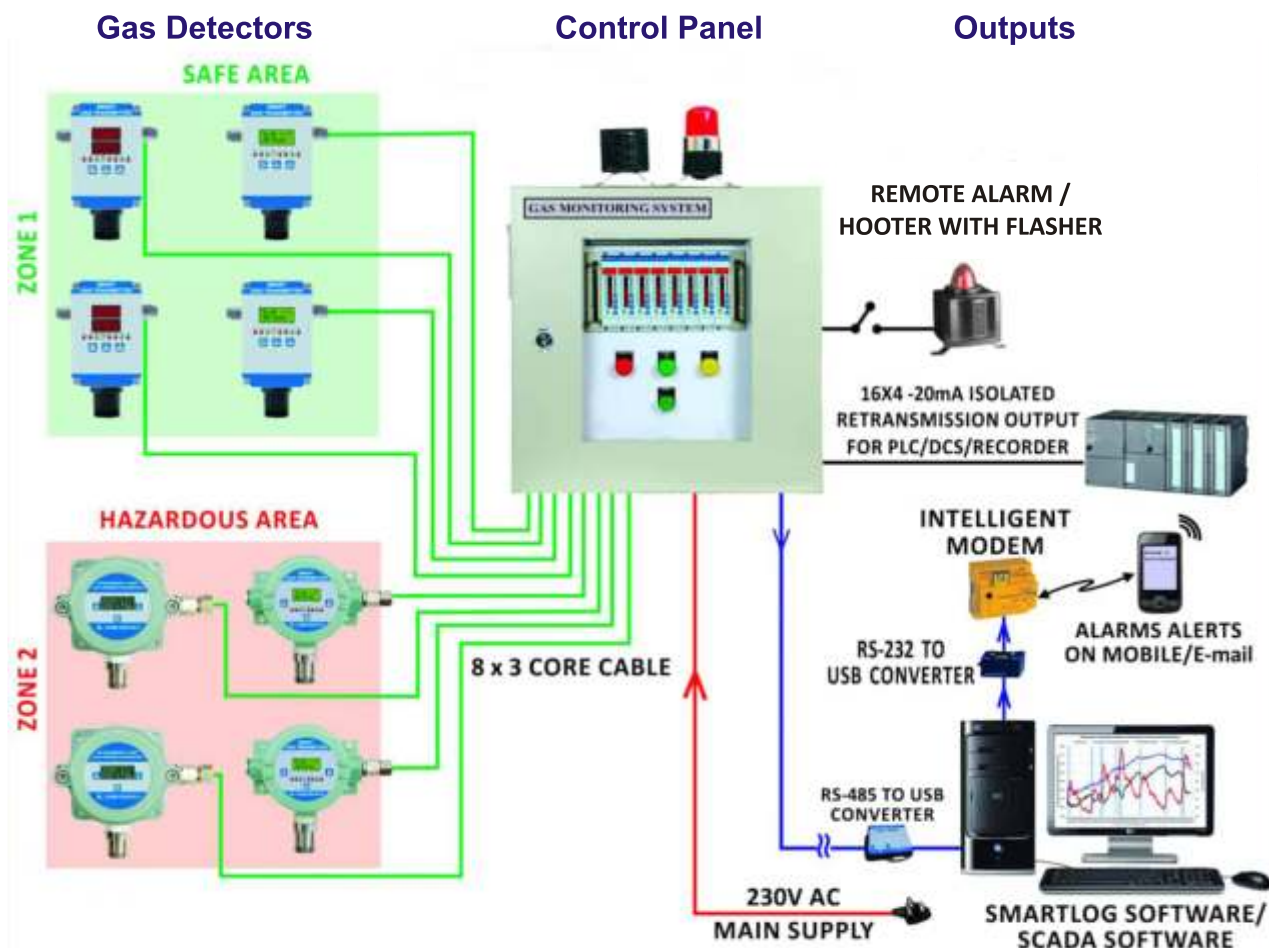

Provide real time ongoing detection and measurement potentially flammable/other gas concentrations in environment /mixture

Gases : Biogas/Hydrogen/PNG/Multi gas etc.
